

## Apostle Joe N. Savage, Jr.

Joe N. Savage, Jr. was born on December 28, 1973 to Mr. and Mrs. Joe N. Savage, Sr. in Norristown, Pennsylvania. As a young man, Joe grew up with a strong sense of God although he did not belong to any church. At the age of eight, his mother became a member of the church which proved to be a major turning point in his life. As a result of his mother's salvation, Joe became more acquainted with the God that he had always talked to as a child. As Joe's relationship with God deepened, he came to understand the necessity of salvation, the person of the Lord Jesus Christ, and the commandments of God. As a result, Joe gave his life to Christ and began to live for Him. This decision resulted in Joe accepting the call to the office of a Prophet at the age of 14.

After much training and teaching from the Lord, at the age of 26, the Lord called Joe out of the church of his youth to begin his own deliverance and prophetic ministry. With a commission from God to breathe life into mankind (saved and sinner), Prophet Savage became the founder of Breath of Life Deliverance Ministries. Through preaching, teaching, and healing, the abundant life spoken of by Christ and the opportunity to truly live and walk in the Kingdom of God would be made available to all mankind through this ministry. In the summer of 2002, Breath of Life Ministries took on a new dimension as Prophet Savage began pastoring. Today, Breath of Life Deliverance Ministries is a ministry whose focus is to train, equip, develop, and nurture the giftings and callings of men and women in Christ.

In August of 2003, Pastor Savage was consecrated to the office of an Apostle. God has given him a commission to preach, teach, and heal while building and establishing churches and ministries throughout the world. Today Breath of Life has become a fellowship of churches with a mission to resurrect men and women into their Kingdom life. Apostle Savage operates in the five-fold offices of Apostle, Prophet, Pastor, Evangelist, and Teacher. His ministry is also accompanied by such gifts as healing, signs, wonders, dreams, and interpretation of dreams.

Apostle Savage holds a Bachelors degree in neuroscience and a second Bachelors degree in religious studies from the University of Pennsylvania. He also holds a Masters degree in social work administration and policy and a second Masters degree in urban planning, both also from the University of Pennsylvania. Finally, Apostle Savage has received his PhD in urban affairs and public policy from the University of Delaware with a concentration in social and urban policy. Apostle Savage has a vision of building a nationwide faith-based community and economic development corporation focusing on urban revitalization, economic development, and comprehensive social services. Alongside building and establishing churches, it's his vision to build and establish faith-based social service agencies affiliated w/ each church or group of churches. His vision is to serve both the spiritual and social needs of the community. Apostle Savage is the father of one daughter, Victoria Grace and one son Marrson Mikhail.
